### Big Pay in Civil Service

The pay is good, the work congenial, and promotion rapid in the U. S. Civil Service. If you are an American man or woman over 12 yeu are eligible for any government position if you pass the Civil Service Examination. To learn how you can qualify in your apare time, write for our free Civil Service bookiet. M. Cifficance, from which place she and for Hogshead, representative of Inches manuface. Mr. Van Druff came not long after their matriage.

The body will be at the house early Priday afternoon and friends may call at that dime. Mrs. Van Druff died rather suddenly, having been seized Tuesday evening with an illness which ended her life Wednesday night at 7 o'clock. She had made many triends here who will regret her death deeply. ternational Correspondence Hox 142, Albuquerque, N. M.

York, again went through on her way return trip via the Santa Fe.

# SERVICES TODAY

If that does not appeal to you we Union Service in Congregational Church Well Attended; Thanksgiving Services in Episcopal Church.

Services were held this morning in the Congregational church and in the Episcopal church. The Cogregational services were a union affair, participated in by most of the city's churches. Rev. Hugh A. Cooper delivared a telling address on a topic suttacts to the day, and there were several special musical numbers.

The services of the Episcopal church partook of the nature of Thankesis.

artook of the nature of Thanksgiv-ng, and ske of St. Andrew's day? hich both tall today. ial services were held at the ulate Conception church at 2

## RENEFIT CONCERT SUUUESS

The benefit concert held last night in the Odd Fellowr, bail for St. Anthony's sanitarium, scored a great success. Albuquerque lovers of the beautiful in music attended in force, and one and all were delighted. Mrs. Ray Roruff directed the chorus, and Mrs. Mabel Himose had charge of the entire program. Mrs. Ralph M. Henderson, Brune Inschman, Mrs. Himose Mrs. Anderson, Mrs. R. V. Winchester and Charles G. Andrews an participated in the program, and one and all lived up to the high mark of musical excellence already not by them before ly not by them before The Woman's

chorus, conducted by Mrs. Horuff, made a distinct hit. The members of this chorus were: Sopranos—Mrs. R. V. Winchester, Mrs. Elisabeth Bradford, Mrs. Robert Pollock, Mrs. lock, Miss Charlotte Pratt. Miss Mary Anderson and Miss Margaret Frank-lin. Second voices—Mrs. Roy McDon-ald, Mrs. Ralph Henderson, Mrs. George Everitt, Mrs. J. O. Schwent-ker and Miss Treadwell. Third voice ker, and Miss Treadwell. Third voice
—Mrs. Don Sterling, Mrs. L. B. Milter, Miss Gladys Mandell and Mrs.
Fred Woodford, Mrs. Elmoe at the

Promptness Our Motto.

Horribly Crushed Portions of Scholle Wreck Brought in; Other Railroad News.

tashed up in the wreck at Scholle he repair yards of the local shops, baving been brought here Sunday They can so stiffly, even when the side rods were uncoupled, A strange feature of the wreck is hat in only two cases were the in the front ends broken. In one case the boxes were swept clear off, but in the other engines only two of

in the other engines only two or small pieces of glass were smash-But if glass wasn't smashed, en-rames, pilots, great wooden ms that formed the front ends many other parts were smashed, amashed to heat the band, at

One engine sustained such a nock in the collision that her flue ere driven back two feet into the rebox. Another, evidently one of the leading engines, had the entire

the leading engines, had the entire back end of the heavy steel tank bent and crushed up several feet.

Cab fittings on nearly all the engines were broken and crushed badly. The \$59 was an especially bad example of this, for her cah was broken into many pieces, the floor was crushed and all connections between the front ends of the two engines on the local were crushed and broken, and in one case torn off.

The engines are just literally junk

The engines are just literally junk and it will take weeks of heavy repairs to fit them for the road again. They are locomotives Nos. \$97, \$93,

New Brawing Tables.

New drawing tables have been in-New drawing tables have been installed in the apprentice school room at the local offices. There are 14 of them, all tron standard, woodentop tables, made in Topeka. They effect a great economy of space in the room and are beside more convenient for use than the old tables. Beginning today the following engines will be turned out of the local shops this week: 263, 9121, 2413 (this is the switch engine smashed last

Friday), 2005, 845, 1415 and 1659.
U. G. Keime, a machinist who has been in the local shops for some time, has gone to El Paso to work there in the future.

John Mayer, another machinist who has been here for a long time, has gone to Old Mexico for work in

prentice instructor here, has returned to this city after a summer spent in

Long Beach.
Chilburn House, an apprentice, sustained a slight accident when a hammer slipped and bit him on the head. He was dazed for a time but

Four new switch engines, bound for the Winslow yards, passed through here Monday morning. They were Nos. 2645, 2650, 2651 and 2652. They are much like the 2000 class carry fire jets for throwing a stream from the injectors onto a biage, and short lines of fire hose. They are a'so oil burners. At present, owing to lack of switch engines, the Wins-low yard is switching with road en-

Initiatory Entertainment for St. Anthony's Sanitarium Raises Comfortable Fund for Organization.

The benefit concort held last night in the Odd Fellows half for St. Anthony's maniferium, accord a great low yard is switching with road engines.

Five passenger engines will arrive in Abuquerque for use on the first district, between here and Gallup, on December 15. They are balanced compounds, numbered in the 1800 compounds, numbered in the 1800

divisions.

Engine 1507, which recently broke a frame, is again out of the shops and will, be back in service tomorrow. Yesterday and today she is receiving a new coat of silver gray and black paint.
